## FEEDBACKS AND MESSAGES FOR THE TEAM:

“As a newcomer and especially during this time, it is tough to connect with other newcomers who speak English. This event made this easy.”

“I was very satisfied with the personal approach towards the participants and I found the tips and experiences that were shared useful and inspiring.”

“Thank you for the event, i have many information that i didn't know before”

“Please keep your events coming - This one was perfect for me, as I've been missing going to the pub and meeting new people... So I want to thank you for organizing this and certainly want to see you again :)”
