YOUTH ENHANCED SUPPORT

INFOPACK

K.A.N.E.

ABOUT

Social Youth Development K.A.NE. is a non-profit organization situated in Kalamata, Greece. Our main target group is young people aged 15-30, youth workers, youth leaders, mentors and trainers. However we are also working with all the local community.

We do national and international youth work. We aim to offer opportunities of personal and social development to local youth through socio educational activities and non formal education. Our main target is to create independent youth structures as well as to achieve the recognition of youth work in Greece.

This infopack provides a more detailed description of each opportunity currently available.

ABOUT Y.E.S

The project Y.E.S is a long-term volunteering project, through which 2 volunteers from 2 countries will be hosted in Kalamata during 12 months.

We are looking for participants from :

Spain and Italy

Volunteer

APPLY NOW

Ipposxesis

Therapeutic riding is the outcome of a team effort, including volunteers and therapists. Volunteers will become the “added value” of the project. They will offer to the children the opportunity to feel part of the society, to improve themselves and get in touch with new cultures, languages. The volunteers will be asked to work with children, teenagers and adults with neurological damage, psychological and learning difficulties, autism etc.

VOLUNTEER TASKS

- Preparing, in cooperation with a specialist and according to each person's or group of persons' needs, the session and the non-formal education games.
- Maintaining and safe-keeping the props and other material used in or out the training court.
- Preparing and training the horse, as well as caring for the horse's warm-up, prior to the session.
- They will engage in non- formal educational games and other creative activities with the children before and after the session making, thus, sure that the children's waiting time is pleasant

Good Cause

GoodCause is a Greek Social Co-operative Organization located in the center of the city of Kalamata. The organization is mostly involved in computer science projects that include the development of websites, applications and advertisements. Its main goals are to use modern technology to raise social awareness on subjects like animal care, solidarity, environmental care, social inclusion and mental health and to develop digital solutions for nowadays society's problems.

VOLUNTEER TASKS

- Administrating and updating the news website of the organization
- Assist in the promotion of the organization's websites and news
- Assist in the administration of the social media profiles of the organization
- Assist in the development of graphics designs
- Assist in the development of websites
- Search for partners to include in the organization's projects and websites
- Participate in some of the local Youth Centre's activities
