About training course

"Unbox Inclusion" is a training course for youth workers,

where they will learn how to create and use such an innovative educational tool - an escape box. On the project participants will explore the topic of the inclusion of minorities through the games that they will play and escape boxes that they will develop. Participants will create 3-4 portable escape boxes, which will be connected to topics of inclusion of minorities. By the end of the project we will organize local event in Poznan and present the results of training course there.

AIM

At the "Unbox inclusion" training course we will give to participants knowledge and skills on how create their own escape boxes about the inclusion of minorities or another educational topic.

OBJECTIVES

- To provide participants with the knowledge and skills for creating their own escape boxes
- To educate participants on how to create 4 escape boxes on the topic of inclusion of minorities
- To promote an inclusive mindset among participants and discuss addressing protection and empowerment of minorities
