

Program Activities

CEE Fellows are innovators, activists, and changemakers making a difference in the areas of environmental sustainability, women and gender issues, youth engagement, civic dialogue and peacebuilding, and open and participatory government.

Explore civil society through a three-month U.S. Practicum

Build leadership capacity with tailored leadership and civic engagement curriculum

Create and implement unique community engagement project

Engage with a global alumni network through Innovation Hubs and follow-on grant opportunities

Program Goals

- **Prepare the next generation** of decision makers, thought leaders, and community activists
- **Build capacity** for civil society leaders and organizations
- **Develop a global network** of diverse, multi-disciplinary civil society and community leaders
- **Strengthen participants' ability to lead** collaboratively while addressing issues of public concern

Join a global network of emerging leaders dedicated to impacting lasting change in their communities

About CEE

The Community Engagement Exchange (CEE) Program is a fully-funded leadership development program that equips Fellows with the skills, networks, and resources to impact meaningful change in their communities

**Community Engagement
EXCHANGE PROGRAM**

Calling All Changemakers

The Community Engagement Exchange (CEE) Program is a transformational leadership development experience that equips emerging civil society leaders, ages 21-27, to harness the power of networks, relationships, and information to develop multisector approaches and build healthy and engaged communities in over 100 countries.

Apply today! Impact change tomorrow!
